Beach-service Playa Trefpunt

SERVICE WITH A SMILE

It is also nice to relax on the beach at Playa Het Trefpunt. Most of our annually returning guests have known this for a long time. The Trefpunt Crew does not bring alone chilled drinks with you but of course also ensure that you do not have to leave the beach for a delicious bite.

Certain dishes also require a little more table space that can be placed with your bed by our beach service.

You may also have noticed that we have a few new dishes on our menu this year.

Besides the newcomers Pizza and the Club Sandwich, the Pancakes are also represented on our menu this year.

Our kitchen is open daily from 10 a.m. to 8 p.m.

We wish you a pleasant stay at the Costa del Sol.
